MR. MUHLENBURG, from the Committee on Revolutionary Claims, made the following

REPORT:

The Committee on Revolutionary Claims, to whom was referred the petition of Ann D. Baylor, submit the following report:

That the petition and documents relating to this case were referred to the Committee on Revolutionary Claims of the first session of the 19th Congress, and favorably reported on; that they were again referred to the same committee of the second session of the last Congress, which committee also presented a favorable report, together with a bill for the relief of the petitioner. In these reports your committee, after having again examined the evidence, now concur, and accordingly submit a bill.
